Recognise the signs of stroke

A stroke can strike anyone, of any age, at any time and every second counts. You need to act FAST:

- **FACIAL** weakness: Can the person smile? Has their mouth or eye drooped?
- **ARM** weakness: Can the person raise both arms?
- **SPEECH** problems: Can the person speak clearly and understand what you say?
- **TIME** to call 999.

Learn it. Share it. You could save a life!
